

## FROM MONTANA

**JOHN A. FISHER AND FAMILY COME ALL THE WAY WITH-OUT AN ACCIDENT**

John A. Fisher, wife and three children drove through in a Ford from Great Falls, Montana, to Los Angeles without changing a tire. They started September 17 and arrived October 17. The route was by way of Helena, Spokane and Tacoma, then down through Oregon and Central California. Arriving in Los Angeles they could find no place to rent, so they are camping in the auto park until they can either buy or build a home. Mr. Fisher is in Glendale daily on this quest, preferring this city to any other he has seen.

Mr. Fisher was a painting contractor in Great Falls and is also something of a carpenter, so would rather build if he can find a suitable location at a moderate price. The entire family greatly enjoyed the experience of camping out every night and seeing so many new places.

## Lock Your Doors

City Marshal Lampert constantly urges householders not to leave their homes unlocked when they leave them even if only for a few moments, as many burglars are coming to California now, driven by the cold weather in the East and North, and they watch for opportunities to do petty thieving. The need for this warning is evident from the experience yesterday of Mrs. Cronin, 401 Milford, who ran over to a neighbor's for a few minutes, leaving her front door open. When she returned a purse containing a \$5 bill and some small change was missing. A lady living across the street said she saw a man coming from the front of the house, but supposed he was a caller.

## Greets Kansas Friends

Mrs. J. H. McKeever of 413 East Elk avenue was pleasantly surprised when she received a special delivery letter Tuesday morning, informing her that eight of her friends who formerly lived in Wichita, Kansas, but who are now visiting or residing in Los Angeles, were to be her guests that day. These ladies were Mesdames Hawley, Holland, Stewart, Holt, Holliday and Salter, and Misses Beatrice Holt and Nina Holliday. Many residents of Glendale, formerly of Wichita, are friends of these ladies, they being quite well known in that city. Miss Nina Holliday is quite an accomplished musician. Though Mrs. McKeever had little time to prepare for her unexpected guests, she greeted them most cordially and showed them true Glendale hospitality.

## RUSH FOR SEATS

**HOUSE SOLD OUT FOR OPENING OF GLENDALE THEATRE IN HALF AN HOUR**

The box office for the sale of tickets for the premier showing at the new Glendale Theatre opened this morning at Spohr's Drug store and the response shows the interest taken in this event. Five hundred seats have been reserved for bright lights of the film world and others and since it was announced that on this account the number of seats available would be limited there was quite a rush to secure tickets as soon as they were placed on sale. William A. Howe, manager of the new theatre, promises a program in keeping with the importance of the opening of this splendid new picture palace but it is to be a surprise and this adds to the interest of the opening. Mr. Howe reports that the house was sold out by 10:30 and he is promising the same de luxe program for Friday night to accommodate the hundreds who were turned away from the box office disappointed this morning.

Mr. Howe also announces that any seats in the section that has been reserved for invited guests that are not filled by 8:30 will be sold.

## League of Nations

Judge Benjamin F. Bledsoe, known as a very able jurist and a logical thinker, will speak at the Glendale High School auditorium tonight on the League of Nations. This is to be a non-partisan meeting and all who are interested in this issue are invited. The meeting will open at 8 o'clock.

Miss Jenny Churchill of Santa Barbara is visiting her niece, Mrs. H. H. Cantor of Montrose.

## EX-SERVICE BOYS

**THREE NOW TAKING ENUMERATION FOR NEW GLENDALE DIRECTORY**

The Evening News now has a hustling trio of ex-service boys taking the enumeration for the new city directory, and they are putting the same vim and thoroughness into this work that they did into the task of forcing the Germans to be good. Alan R. Shurlock, who was with the 158th Ambulance Corps, 40th Division, for 22 months, just half of which were spent in France, was first in this work and he was joined yesterday by Irving Bowen, who was with the 157th Infantry of the same Division for three years, never getting across but doing his whole duty to the country on this side; and by Bert Chappell, who served 22 months in the navy. These young fellows are meeting the people of Glendale courteously and are being met with the utmost kindness, the householders all apparently realizing the great need of just such a work as this.

It is necessary to compile a city directory in the shortest time possible consistent with thorough work, hence every aid should be given the enumerators. If you know that an enumerator has been along your street and you were not at home when he called, will you not call up the Evening News, phone Glendale 132, and give in the listing of all the members of your family and of any other people who may also be living in your house? If you have no phone, a call at the Evening News office, 139 S. Brand, any time between 7 a. m. and 9:30 p. m. to give in the information, will be appreciated.

The Evening News is very glad that these ex-service boys could be secured to do this task, not only because we are thus assured of thorough work being done but because we are always pleased to help one of the "boys" to a job. So the Evening News will appreciate the courtesies and favors shown its representatives in this directory enumeration work—Alan Shurlock, Irving Bowen and Bert Chappell.

This portion of the work will be completed shortly after the first of November, it is expected, and no changes on account of removals, births and deaths can be made after November 15.

## LOGICAL SPEECH

**EX-SENATOR PILES GIVES CLEAR-CUT STATEMENT ON NATIONAL ISSUES**

Ex-Senator Samuel H. Piles of the State of Washington and Judge E. D. Reiter, formerly of the state of Washington but for the past year a resident of Los Angeles, spoke on the political issues of the day before an appreciative audience at the Glendale Union High School last evening. The meeting was held under the auspices of the Republican Club with W. E. Evans, president, presiding. Judge Reiter was the first speaker and he announced to the audience that he had not come to deliver the main address as that was to be delivered by his good friend, ex-Senator Piles. Judge Reiter said "It is very essential that we send to Washington this year Republican congressmen and Republican senators to back the Republican President, as it is a recognized fact that Warren G. Harding will be the next President of the United States." The speaker admonished his hearers not to be misled by speeches made by an incumbent senator of the state who is attempting to gain his re-election as United States senator by frightening the people as to the importance of the Japanese exclusion question, when the facts show that "picture brides" did not come over here until the time of Wilson's and Phelan's administration. Why did this senator remain quiet on such an important subject so long? The speaker also referred to the effects of the lack of sufficient tariff to protect citrus fruit growers in California and other parts of the country. He said "how necessary is the change of administration. Business will be in the same condition that it was from 1893 to 1897, when free trade crushed the financial life out of our country. The only reason why our nation has not been affected financially since 1913, the beginning of the Wilson administration, is that during a large portion of that time many of the countries have been engaged in war and embargoes have been placed upon imports. But now, since the war has closed and the administration's free trade principles are in full force, financial troubles are beginning, and the only way to check

## FIRE IN L. A. WHOLESALE DISTRICT

**ONE GIRL BURNED TO DEATH; SENSATIONAL RESCUES OF GIRL EMPLOYEES; FIRE UNDER CONTROL**

(Special Service to Glendale Evening News)

LOS ANGELES, Oct. 21.—With the body of one woman burned to death in a fire which almost completely destroyed a five-story building in the downtown wholesale district, recovered, firemen began searching the ruins for other persons believed to have lost their lives in the flames.

Two persons, John Richards, fireman, and Amelia Probst, girl bookkeeper, were severely injured and may die, according to hospital authorities.

The body of Louise Hepburn, 30, bookkeeper, was found burned to a crisp. The flames were brought under control at 10:30, after they had been burning fiercely for over an hour. A score of sensational rescues of girl employees of wholesale firms were made by firemen who carried the girls, many of them overcome by smoke, down fire escapes and ladders. Almost the entire contents of the five-story building, valued at more than \$200,000, was said by insurance men to be a complete loss. The building was occupied by the Los Angeles Pacific Coast Envelope Co., Lichtenberg-Ferguson Co., Kohn Bros. Trunk Co., and Robt. Baer Hat Co.

## BELIEVE BULLET CAUSED DENTON'S DEATH

**DETECTIVES SIFTING LOOSE DIRT IN BASEMENT OF THE DENTON HOME; NO BULLET LODGED IN BODY**

(Special Service to Glendale Evening News)

LOS ANGELES, Oct. 21.—Detectives were today carefully sifting the loose earth in the basement of the Denton home, under which the body of the wealthy mining man was found buried, in the hope of finding the bullet which they believed caused his death. This action followed the report of Autopsy Surgeon A. F. Wagner that no bullet was lodged in the body.

Investigators were today loath to discard the theory that Denton was shot and then dragged to the basement where he was buried. Other known circumstances in the case lend strong possibility to this theory, they declared.

Search for the bullet was pressed by Chief Deputy District Attorney Doran, who said that upon its discovery depended the correlation of facts already in the hands of the district attorney's office.

## ABANDON PROHIBITION POLICY

**LIQUOR TO BE SOLD BY GOVERNMENT STORES IN EVERY CITY AND TOWN IN PROVINCE**

(Special Service to Glendale Evening News)

VANCOUVER, B. C., Oct. 21.—British Columbia yesterday abandoned its prohibition policy after four years' trial.

By a majority of 30,000 the electors decided in favor of a plan to sell liquor openly from government stores to be located in every city and town in the province.

No more will doctor's prescriptions be necessary for securing liquor. There will be no return of the saloon, however, but the province has decided that liquor in limited quantities will hereafter be obtainable.

## BANDITS ROB N. Y. C. TRAIN

(Special Service to Glendale Evening News)

BUFFALO, N. Y., Oct. 21.—Three bandits, firing their revolvers into the air, robbed passengers on a New York Central train in the Buffalo yards early today. George Sinclair, trainman, was wounded when he attempted to resist the robbers. Two brothers, by the name of Detka were arrested and said by police to have been identified by passengers.

## THREATEN NEWSPAPER MEN

(Special Service to Glendale Evening News)

DALLAS, Tex., Oct. 21.—Editors of several Dallas and Ellis county newspapers have received letters threatening destruction of their plants if their publications failed to support demands for 40-cent cotton. F. W. Spencer, head of the Department of Justice Investigation Bureau, announced today.

## PLOT TO DESTROY COURT HOUSE

(Special Service to Glendale Evening News)

SANTA ROSA, Oct. 21.—Heavy guards were thrown around the Sonoma county court house today when telegraphic information was received from Sacramento that an alleged anarchistic plot to dynamite the Santa Rosa court house had been uncovered.

## KING ALEXANDER SERIOUSLY ILL

(Special Service to Glendale Evening News)

LONDON, Oct. 21.—The Greek legation today announced that King Alexander's condition is worse, with his temperature at 104.

## BIG DAY IN PERMITS

**MORE THAN \$50,000 YESTERDAY, MAINLY FOR FINE RESIDENCES**

Yesterday was a banner day for building permits, the total valuation being \$51,085. Included in these were five high-class residences that will be erected by the P. P. Newport Co. in Verdugo Woodlands. This building campaign has been contemplated for some time by the Newport Company, which aims to make of Verdugo Woodlands a high-class suburb of Glendale as Hollywood is to Los Angeles. The residences for which permits were taken out by this company were one of four rooms, \$6500, another of four rooms for \$5700, and three of five rooms each for \$6000, \$6500 and \$7000, respectively. In addition to the above permits, yesterday, there was one by Mr. Beamon, for an addition to his residence at 1447 East California; another for E. B. Clark, who is building an eight-room residence at 457 Riverdale Drive, to cost \$6500; one for Mr. Marsh, garage at 249 South Glendale Ave.; Roy Kent's, \$10,000 for business building; J. E. Peters', \$4000, for a residence; J. V. Smith's, for a garage addition at 338 Pioneer Drive, \$200. This record for yesterday brought the month's total so far up to \$2,606,303.

## Chapter A. H., P. E. O.

Chapter A. H., P. E. O., held a meeting Tuesday at the home of Mrs. C. R. Carmack, 811 South Central avenue. Luncheon was served by Mrs. J. Herbert Smith, Mrs. Laura Tuttle and Mrs. Carmack. The guests were Mrs. J. G. Huntley and her daughter, Mrs. Seymour Smith, both of Chapter L. At this meeting it was decided to direct the philanthropic work of this organization through the Glendale Welfare Bureau. Chapter A. H. is planning for inspection by the state organization at the next meeting, which will be held at the home of Mrs. Charles Turck. The program consisted of a travel talk on Verona, by Mrs. Turck. There were about fifteen present at this meeting.

## HIGH SCHOOL P-T. A.

**FIRST MEETING OF THE YEAR BRINGS OUT RECORD ATTENDANCE**

The Parent-Teacher Association of the Glendale High School held its first meeting of the season in the cafeteria of the school on Wednesday afternoon with Mrs. H. W. Yarik, president, in the chair.

Miss Maud Soper was unanimously elected to the office of vice-president. Mr. Lockwood, instructor in the High School, spoke on Amendment 16 and made the request that members of the association support the measure at the coming election.

Mrs. Yarik introduced the speaker of the afternoon, E. B. DeGroot, chief executive of the Los Angeles Boy Scouts, and formerly State Chairman of Recreation of the California Congress of Mothers and Parent-Teacher Associations, who spoke on "Loyalty," prefacing his remarks with the statement that while in France during the war he saw on the wall of a Canadian hut this legend, "Talk Clean, Live Clean, Fight Clean, Play the Game." This bit of philosophy inculcated in the mind of youth would, if lived up to, bring out the best and make for loyalty, which is the root of human conduct.

The Hospitality Chairman, Mrs. Lillian Empey, assisted by Mrs. Miller and Mrs. P. V. Potter, served tea and wafers after the meeting and a social half hour was spent in the meeting of the parents with the teachers.

Membership Chairman Mrs. G. H. Reed received many applications for membership.

There were one hundred present, among whom were Mrs. John Robert White, president of the Glendale Federation, and Dr. Jessie A. Russell, former President of the State Congress of Mothers.

## Will Burbank Annex?

Burbank is to vote on annexation to Los Angeles on November 19. A very strenuous campaign has been conducted by those favoring the project and some express the opinion that the proposition will carry. The Chamber of Commerce met Monday night with a large attendance, most of them business men, and a vote on the question taken as a test showed not one member favored annexation.

## OLIVE VIEW

**NEW SANATORIUM FOR TUBERCULOSIS PATIENTS TO BE OPENED NOV. 1**

Supervisor Dodge has announced that Olive View Sanatorium, for the care and cure of patients suffering from tuberculosis, will be opened for patients November 1. An open reception for visitors will be held by the county supervisors next Wednesday at the Sanatorium, which is just above San Fernando, close to Sylmar, and the citizens of Glendale and other communities are cordially invited to attend this. The Sanatorium was started three years ago when 454 acres of ground were bought for the purpose, the purchase price being \$12,300. It is in the foothills of the upper San Fernando Valley, at an altitude of 1500 feet. Two ward buildings, a large administration building and two large structures for the accommodation of employees and nurses have been erected, the grounds have been laid out and many shade trees planted on the hillside.

The present unit will care for 100 patients, but it is the intention to add others until 500 can be accommodated. Both men and women can be cared for. There are enough applications already on file to fill the present institution. Only such patients as are practically assured of recovery will be taken in.

Thus far \$250,000 have been expended on the institution which will be run in connection with the County Hospital.

## To Be Minister

John Losh who was a linotype operator in the office of the Glendale Evening News a few years ago and was quite popular, especially among the young people of the Baptist church, was recently married and is spending his honeymoon touring the state of Colorado. John went to Colorado on account of his health and seems to have fully recovered. He is working at his trade on a Denver paper while studying for the ministry and occasionally supplying nearby pulpits. John is industrious and ambitious and will make good in whatever he undertakes. His many Glendale friends will extend their congratulations.

Some recent removals were Fred Ringer to 1234 East Broadway; E. Monroe to 131 South Isabel; Mrs. Ida M. Shinner to 925 North Louise; Mrs. A. B. McIlwin into her remodeled home at 712 Orange Grove Ave.; J. S. Majors to 208 East Wilson Ave.; Mrs. A. M. Watt to 742 East Wilson Ave.; W. B. Craft to 161 South Central Ave.; P. H. ## BRANCH LIBRARY

**FIRST BOOK REVIEW OF SEASON. STORY HOUR PROVING MARKED SUCCESS**

The first book review of the season at the Branch was given by Mrs. Danford on Friday, the 15th.

The attendance was not large and all who were there felt that those who did not come had missed a most delightful and instructive talk.

The following books were reviewed: "The Rising Tide of Color Against White World Supremacy," by Lothrop Stoddard; "Woman Triumphant" and "The Shadow of the Cathedral" by Ibanez; "Confessions of a Disappointed Man" by Wells and "Fortitude" by Walpole.

These books have all been ordered and will be ready for circulation in a few days. The first book mentioned is particularly timely just now, dealing as it does with the principle involved in the Anti-Asiatic land bill to be voted on next month.

The same author also has an excellent article in the "October World's Work" on "The Japanese Issue in California," and "Current History" magazine for October gives both sides of the question, the Japanese viewpoint being given by Dr. Toyokichi Iyenaga, a member of the faculty of Chicago University.

The Saturday story hour is proving very popular with the children. Next Saturday there will be some new books ready for them including some game books in which many games and entertainments suitable for Halloween are described.

Mrs. Danford's next review will be held on Friday, the 22d, at 2:30 p. m.

CHAS. H. CUSHING,  
Branch Librarian.

## Personals

The permit for Roy Kent's new business building was taken out yesterday and the cost is given at \$10,000. The location is 130-132 South Brand. The south wall of the building is already well along.

Mrs. A. H. Lapham of 415 West Broadway and Mrs. G. D. Roach, 459 Milford, accompanied two auto loads of Los Angeles friends to Lankershim this morning for a meeting of a card club to which all belong.

Mrs. Shives Mitchell and little Billy of King City, who drove down Sunday to visit for a few days with the mother and grandmother, Mrs. E. W. Richardson, 525 South Central Ave., will return home Saturday.

Mr. and Mrs. S. L. Gillan of 203 West Maple street have rented their home furnished and expect to go to Washington, D. C., to spend six months. They will return to Glendale.

Mrs. Racine D. Hall of Patagonia, Arizona, is visiting her brother, Samuel Baker, and wife, of 810 Orange Grove avenue. Mr. and Mrs. Hall and their daughter, Frances, formerly lived on East Windsor Road.

Mrs. J. E. Moode, whose husband was formerly a member of the grocery firm of Payne & Moode, Glendale, and her sister, Miss Andrews, both of Huntington Park, were the dinner guests of Mr. and Mrs. H. L. Baker, 451 Milford street, last evening.

Mrs. J. R. Lockwood of 827 South Glendale avenue, who was threatened with a complete nervous breakdown three weeks ago and taken to Santa Monica for a complete rest, is better, but will have to stay three or four weeks longer. She and Bruce are in an apartment down there. Mr. Lockwood spends about half the time with them.

Rev. Ernest E. Ford, pastor of the Baptist church, has received word of the death of his aged mother, who resided at Cortland, New York. During the past summer Mr. Ford was privileged to visit his mother, and participate in a reunion of the entire family; the first meeting of the kind in 33 years. Mrs. Ford was nearly 93 years old.

A young lady employed in the Y. W. C. A. building at Columbus, Ohio, the home of Gov. Cox, recently wrote her brother in Glendale that a poll taken among the officials and workers in the institution showed only two votes out of nearly 40 for Cox. Similarly, a straw vote taken the first of the week on a snow-bound passenger train at Truckee, gave Harding 76 and Cox 2.

A. F. Webster and family of 205 East Acacia avenue expect to move to Santa Barbara about November 1st. They regret leaving Glendale but Mr. Webster, who travels for a large wholesale dry goods house in Los Angeles has been given a territory of which Santa Barbara is the center, so the move is necessary. However, they will lease their house for six months, only, and if they do not like Santa Barbara will return to Glendale. They were up there last week to secure a house to live in and Mrs. Webster said that though they were prepared, from all they had heard of Santa Barbara, to find a wonderfully beautiful city, she does not think it equals Glendale in that respect.

J. E. Peters, who is making quite a success in real estate and building, took out a permit yesterday for a 5-room house at 428 North Jackson to cost \$4000.

Manuel Glass, wife and daughter Gwendith and Lucca Farriola, wife and two children of 226 Dayton Court, drove to San Pedro Sunday to spend the day and visit Wm. Malcolm, nephew of Mr. and Mrs. Glass, who had joined the U. S. Regular Artillery and been assigned to Fort McArthur. They did not get to see him, but received word later that he had arrived and was on duty.

Clinton Booth of 123 West Lomita avenue has received word that his brother-in-law, A. W. Crawford, of Franklin Grove, Ill., died last week and was buried Saturday. Deceased had visited the Booths several times and had made many friends in Glendale. He was interested in several business deals with Mr. Booth, both here and in Illinois, and it will be necessary for Mr. Booth to visit Franklin Grove in the spring to adjust matters.

S. J. Dement and wife, who recently sold their home at 121 Fairview avenue to Mr. Johnson, who came here from Erie, Pa., will move about Nov. 1st to Wasco, where they have bought a 20-acre ranch set to Muscat and Thompson seedless grapes. Mr. Johnson, wife and four children are already living in the house, Mr. and Mrs. Dement giving up most of the rooms to them. The Dements have lived in Glendale a year, and hope to return to this city some time in the future.

Rev. Charles F. Graeser of Merced, who is spending his vacation with his sister, Mrs. F. L. Sargent, 1235 East Wilson avenue, received word yesterday from the War Department that he was one of the five California ministers to be appointed chaplains in the regular army, with the rank of Captain. For several days the War Department has tried to locate Rev. Graeser. He is to report to the Los Angeles recruiting station Monday and there he will be assigned to some army post near by.

Members of Glen Eyrie Chapter, O. E. S., are anticipating with pleasure the meeting to be held tomorrow evening. Several of the officers for the present year being in attendance at the Grand Chapter meeting in San Francisco, past matrons will officiate. The men of the Chapter are to entertain the ladies with a Halloween party at the close of the regular session. This is being looked forward to as the opening of the winter social season. Elaborate arrangements are being made for the occasion.

An example of cheap and quick yet durable construction is seen on South Central avenue where are two small houses, already occupied, the walls made of studding with plaster board inside and out, and the roof of roofing paper. Wall paper on the inside gives the rooms a cheerful appearance and battens and paint on the outside make the walls impervious to moisture. A house of this kind with three or four rooms can be put up in a few days, it is cheap and experience has shown it to be quite warm in winter. To meet the insistent need for rental property would it not be a good idea to put up many such?

## LOGICAL SPEECH

Continued from Page 1)  
the approaching disaster is to elect a Republican President and a Republican Congress."

Ex-Senator Samuel H. Piles of Washington, who followed Judge Reiter, announced that the present campaign is a most peculiar one from the fact that people had made up their minds several months ago as to how they would vote at the November election. All test votes showed that they intend to vote the Republican ticket. Of the 80,000 women of Maine who recently voted, 60,000 voted the straight Republican ticket.

The speaker said that the party in power was directly responsible for the increased price in food-stuffs at the beginning of the war. On April 6, 1917, when the United States went into the war there was a Democratic President and a Democratic Congress. When war was declared speculators at once bought up the bulk of food stuffs and in a few months' time the government was forced to pay a very greatly increased price for food stuffs needed. The lack of forethought on the part of the administration to issue an order at the time war was declared that the government would pay present prices for all food stuffs needed was the cause of the rapid increase in the price, of such, and many speculators made fortunes over night. The prices paid by the government regulated the prices of the world for all commodities, and jobbers and retailers were forced to pay the same prices as paid by the government. Thus the high cost of living had its start. The second aid given the high cost of living by the action of the government was after the armistice was signed, when, instead of turning back upon the markets the excess food supplies, they were held and agreements were entered into with large canning concerns that government foods interfering with their business would not be placed upon the market. At the close of the war \$121,000,000 worth of excess foods were found in warehouses. The neglect to put upon the market these excess products allowed profiteering to be engaged in, to the detriment of the people of the United States.

The speaker then propounded the question to his hearers: "Do you want a party of such business capacity to formulate a League of Nations and enforce its principles? The present League of Nations was commenced in the wrong way. The President left the United States in great pomp and show, and his stay in France, while the League of Nations was being worked out, was too much of a society affair. He failed to get into the document, as finally presented to the people, any of the fourteen points that he advocated before leaving for France. The document when completed was not an American document, and it is not being so considered by the vast majority of voters at the present time, and the proof of this will be evident when the results of the election are given out November 3rd."

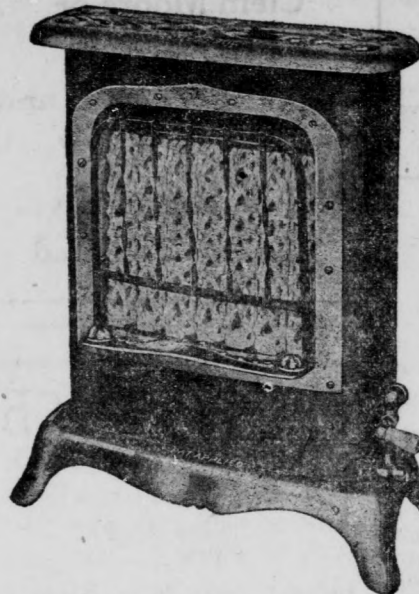

The speaker referred to the cause of the high cost of shoes on account of the unnecessary purchases of leather by the government at the time of war and cited an instance wherein 41,000,000 pairs of army shoes were bought for 4,000,000 soldiers, and that eleven saddles were provided for every horse in the United States cavalry. The speaker closed by saying that it had been the plan of our forefathers to avoid so far as possible having a one-man government; that such is contrary to real true American principles. The present League of Nations document would have the United States represented by one man in a council with other nations. Such a plan is contrary to true, ideal Americanism.

## Federated Brotherhood

The meeting of the Federated Brotherhood of Glendale next Tuesday evening in the banquet room of the M. E. church promises to be epochal. The banquet, which is to be at 6:30, is to be followed by addresses, the principal one by Rev. "Fighting Bob" Houser, the new pastor of Trinity M. E. Church South, Los Angeles, who recently came there from Paris, Texas, where he made a great record in building up a great congregation and in fighting the forces of evil. He will speak especially on how to keep a clean city clean and devote some attention to the proposed new recreation center for the city. Incidentally he will give his views on pool rooms in general. This is the one meeting of the year when the ladies are welcomed and it is expected that many will be present.

Mrs. Harold Zubinden and daughter of Alhambra are spending the day with Mrs. John Zippodt, 109 North Adams.

Dr. Lula J. Brown and her father, H. C. Brown, who have been the house guests of Mrs. M. P. Harrison, Sixth street and Grand View avenue, for the past two months, have moved to the California Apartments. Mr. Brown is the father of Mrs. Harrison. Mr. and Mrs. John Hughes and children of Mt. Pleasant, Iowa, who are spending the winter in California, were guests at the Harrison home this week.

## Women's Society

The Women's Society of the Presbyterian church held an all-day meeting at the home of Mrs. M. P. Harrison, corner of Sixth and Grandview, Tuesday. The morning was spent in tying comforters and preparing Christmas boxes. As is customary at these all-day sessions, the ladies brought their own sandwiches and Mrs. W. J. Smith and her committee furnished delicious sherbet, cake and coffee. In the afternoon a program was given which included a talk on Japan by Mrs. Lingstrom, who has recently returned from that country. Mrs. Weien was in charge of the program. Rev. Edmonds was present and gave a short talk about the new church which they hope to have soon. This meeting was well attended, there being about sixty-five present.

## RE-ELECT RANDALL TO CONGRESS

Why? First and foremost, his notable victories in Congress. Listen! Dr. Clarence True Wilson, foremost Methodist of Washington, D. C., Dr. Chas. Scanlon, head of the Presbyterian Board of Temperance, Dr. J. W. Groves of the Baptist Publication Society, all unite in commending Randall's accomplishments and urge his re-election (Expert testimony.) A majority vote for the Harris Law and Randall's return to Congress will keep California to the front on this great issue. Back up the 18th Amendment and the Volstead Enforcement Act by sending an experienced statesman back to Congress. Too serious a crisis to try a novice. The call is to Patriotism and not to Party Politics. Independent voters of the 9th District, we owe it to ourselves to re-elect Randall—a tried, true and able public servant.
